**RE: Bond Reference Letter**

To Whom It May Concern:

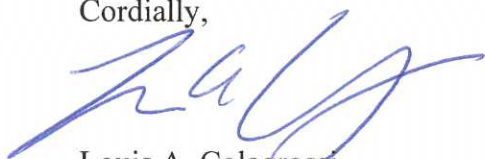

We are pleased to advise you that we have enjoyed an excellent relationship as Superior Industrial Insulations' ("SII") bonding and insurance agent extending over 30 years. SII has successfully completed hundreds, if not thousands, of complex projects on time and within budget over that time span, and is well respected in the industry.

We presently have bonding established with RLI Insurance ("RLI"), which carries an A.M. Best Rating of "A+" (Superior). RLI is listed on the U.S. Treasury list of approved sureties (Federal Register, Circular 570), and is also licensed in all fifty states.

This program qualifies SII for single projects in the low seven-figure range and total capacity in the low eight-figure range. Please note that the decision to issue performance and payment bonds will be subject to our standard underwriting at the time of the bond request, which will include but not be limited to the acceptability of the contract documents, bond forms, and project financing.

Should you have any questions, please contact me at 440-333-9000.

Cordially,

Louis A. Colagrossi  
Vice President
